PROFESSIONAL SUMMARY

Beginner Software Engineer with a strong background in web application development using React, Laravel, Supabase and Go. Proven ability to build maintainable systems with modern technologies. Passionate about writing clean code, collaborating in agile teams, and continuously learning emerging tools and frameworks.

TECHNICAL SKILLS

Programming Languages

- JavaScript
- Golang
- php

Frameworks

- React
- Gin
- Laravel

Databases

- MySQL
- MariaDB

Tools & Platforms

- Git
- Docker
- VS Code
- Supabase
- Netlify

PROFESSIONAL EXPERIENCE

Founder and Software Engineer | Teh Developer

September 2025 – Present

- Managed full lifecycle of web application development from system design to deployment
- Built reusable UI components with React and Tailwind CSS
- Integrated CI/CD pipelines, significantly improving development speed and workflow efficiency
- Selected and implemented optimized tech stacks to enhance maintainability and scalability
- Integrated third-party authentication services for secure user management

IT Instructor | ISCAG School Philippines
January 2025 – February 2025

- Taught students fundamental programming concepts through game development using Scratch
- Guided students in building **basic web pages** using HTML, CSS, and JavaScript
- Created engaging class materials and mini-projects to boost students' creativity and understanding

Front-end Developer Freelance | National Research and Innovation Agency
October 2025 – March 2025

- Developed an information provider website using React.js
- Maintained clean, modular, and reusable code for scalability
- Selected and configured an optimal deployment provider to reduce hosting costs

SELECTED PROJECTS

• **AI-Powered Resume Summarizer**
A web app that uses Gemini API to summarize uploaded PDFs built with React, Tailwind and Supabase
• **Simple Thread Social Media Website**
Simple Thread website giving people access to create and delete a post and also a feature to add comment to a post built with Laravel

EDUCATION

IDN Boarding School Pamijahan
Software Engineering Student, 2024 – Present

CERTIFICATIONS

• Great Learning — Flutter For Beginners Course Certificate of Completion (2025)
• Dicoding — Belajar Dasar Visualisasi Data (2025)
• Dicoding — Memulai Pemrograman dengan Python (2025)
• Skilvul — React Dasar (Gold) (2024)

- Dicoding — Belajar Dasar Pemrograman JavaScript (2024)
- Skilvul — CSS Dasar (Gold) (2024)
- Dicoding — Cloud Practitioner Essentials (Belajar Dasar AWS Cloud) (2024)
- Skilvul — JavaScript Dasar (Gold) (2024)
- Skilvul — HTML Dasar (Gold) (2024)
